JOIN A RANGE OF WATERSPORT ACTIVITIES

We have something for everyone to enjoy on the water, from sailing in dinghies, picos or toppers, to experiencing small yacht sailing on a J80 keelboat. You can also enjoy the freedom of the water by windsurfing or setting off in one of our Canadian canoes which can hold two or three people at a time. Those who wish to go for a pure adrenaline rush will jump at the chance to get on board one of our ribs, which will race across the water in exciting, wet and windy bump and jump rides around the Menai Strait.

Plas Coch activities will keep you busy every day, all day, and each time you return to Plas Coch you can try a new activity or improve your skills even further. Activities are tailored for all age groups from 3 to 7 year olds, up to teenagers and the young-at-heart. As an owner at Anglesey's best kept secret, the adventure has only just begun.
